## Vaccinations

Copy each entry from your vet's certificate, or stick the vaccine label in the batch column.

## Wagzy

## Vaccines

Next due date – as your vet set it

## Parasite prevention

Fleas, ticks, worms, heartworm

# Medications and vet visits

Write each medication exactly as your vet prescribed it.

## Medications

| Medication | Dose and schedule, as prescribed | Start | End | Prescribed by |
|------------|----------------------------------|-------|-----|---------------|
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |
|            |                                  |       |     |               |

## Vet visits

| Date | Clinic and vet | Reason | Diagnosis, treatment and next steps |
|------|----------------|--------|-------------------------------------|
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |
|      |                |        |                                     |

## Weight and history

Use the same scale each time, so the numbers compare.

## Wagzy

### Weight
